CHSF NORTHSTAR 2157K 17N

Our family is a **FOURTH AND FIFTH GENERATION**
Polled Hereford cattle operation.

We strive to offer functional cattle with strong performance and carcass traits that work well for our commercial customers. The herd is a blend of old-line cow families and mainstream genetics.

Most of our herd traces back to one of the original polled heifers purchased in 1917.

IN MID MARCH EACH YEAR, WE SELL OUR BULLS IN THE

RED DEER COUNTY
Bull Sale

we also market embryos, semen and a few select breeding females throughout the year.

PRAIRIE ROSE STOCK FARM

It has been our privilege to raise Registered Herefords for over 50 years.

Our program is to produce breeding stock for the commercial industry that excel in multiple traits including calving ease, performance, milk, fertility, udders and carcass quality as well as mothering ability, sound feet and fleshing ability. We DNA test our entire cowherd, sires and sale bulls to ensure no known genetic defects are passed on.

We have a limited number of breeding bulls available each year selected from the top 20% of the bull calves born that meet these program objectives.

We welcome your visit and your enquiries, especially if you wish to BETTER YOUR BEEF!
